Residential Generator Remote Monitoring System

This generator monitoring agreement between Assurance Power Systems (APS) and

_____ (CUSTOMER) shall start on

_____ and renew automatically on an annual basis unless terminated in writing by either party within 30 days of the renewal date. (Cancellation charges may apply).

Monitoring Agreement	
Generac Mobile LTE Initial Charges	Generac Mobile LTE \$350 + taxes, includes installation, activation, and the first year of monitoring.
PowerTelematics Initial Charges	Power Telematics \$475 + taxes, includes installation, activation, and the first year of monitoring.
Annual Charges (2nd year forward)	\$150 per year for monitoring Mobile LTE \$250 per year for Power Telematics
Exclusions	Adapters for generator other than Generac generators with Nexus or newer controllers.

The monitor system shall provide CUSTOMER with weekly notifications via email. CUSTOMER allows APS to start generator remotely as needed for purposes of testing and diagnosis, (this only applies to the Generac Mobile Link LTE). APS makes no guarantee as to the uptime or availability of any of the monitoring systems. Monitors can only be cancelled after the first year.

Acceptance: The terms, conditions and amounts are acceptable. I authorize the initial and annual payments as outlined above to be billed to the credit card provided.
